

BOYS MEET WORLD

INT. TOPANGA'S BEDROOM- NIGHT

CORY and TOPANGA sit on TOPANGA'S bed.

Cory

Do you remember the time we were in my backyard chasing fireflies? And you had like twenty in your jar and I had only one with a broken bulb. And then Eric came outside and started teasing us-

Topanga

He said, (playfully) Cory loves Topanga, and you said yuck! I hate her.

Cory

That's when I knew.

Topanga

Cory we were only six.

Cory

Who cares.

Topanga

How could you know then? I'm not sure I know what "I love you" means now.

Cory

Look I all know is you and I belong together. I mean I have always been able to talk to you, to make you laugh. And I have always, always wanted to take care of you.

TOPANGA looks away with hesitation.

Cory (cont'd)

Fine. Topanga I've been completely honest with you.

I got my jacket, so ill leave you alone.

Cory grabs his jacket he gave to Topanga and starts heading out to the door.

Topanga

So that's what "I love you" means?

Cory

Ya. Bye.

Topanga

Cory... I love you too.

Cory

I was always hoping you did.

Cory exits but throws the jacket back at Topanga.
